NOTE: This product is designed for installation on Top Beams manufactured after 1/1/2002 only.

BOX PACKING LIST**BOX 68 - DOUBLE BRONCO BEAM ADAPTER**

REQ'D	ITEM
4	Beam Adapters
1	Hardware Bag
1	Instruction Sheet (over)

The Hardware Bag contains:

4	3-1/4" x 5/16" Carriage Bolts
4	5/16" Safety Nuts
1	5/16" Hex Key Wrench
8	3/4" #10 Pan Head Screws
8	#10 Flat Washers

Installation instructions are printed on the reverse of this sheet.
 If the reverse is blank, call ChildLife immediately for a free replacement copy.

*Thank you for choosing a fine **ChildLife®** brand play system!*

Step 1. Inventory the Parts. Locate the four identical Double Bronco Beam Adapters and orient them so the Nylon Swing Hangers are hanging down.

Step 2. Install the Carriage Bolts. Observe the Top Beam and note the **two** sets of **two** 7/16" holes drilled in the side of the Beam about 1" down from the top. Fasten two Adapters (one on each side) to the Top Beam using one set of these holes and two 3-1/4" x 5/16" Carriage Bolts and 5/16" Safety Nuts. The Carriage Bolts pass first through the square hole in one Adapter and then into the Top Beam. Fasten securely with 5/16" Safety Nut inserted through the round hole in the other Adapter. Repeat to install the Carriage Bolts in the other pair of Adapters. Use **all four** Carriage Bolts and **all four** Safety Nuts (two on each pair of Adapters).

Step 3. Install the Wood Screws. Fasten the bottom of each of the four Adapters to the Top Beam with two 3/4" Pan Head Screws and #10 Flat Washers on each Adapter. Use a total of eight screws and eight washers. Install fully so the head of the screw is firmly and securely against the Adapter and the Adapter is firmly against the Top Beam.

Step 4. Inspect Hardware. Check all the hardware you have installed to ensure that it is fastened securely and the Double Bronco Beam Adapters are tightly fastened to the Top Beam. Inspect hardware periodically over the life of your play system as instructed in the Owner's Manual of your play system frame. If you do not have this important document, please call ChildLife for a free replacement copy.
